Dear Mr. Hauptner:

I read with great interest and pleasure your letter received in my office on February 24, 2005. Thank you for your comments regarding the School Board's approach to the operation of Charter Schools.

I especially want to commend you on the success of G-Star. Your capabilities, enthusiasm and drive have made G-Star a tremendously successful Charter School. You provide a most worthwhile program for Palm Beach County students interested in the motion pictures and broadcasting industry. You have developed a highly successful formula to operate your school within the financial guidelines set forth by the state for charter schools.

I shall share your letter with my Leadership team. Best wishes for continued success.

Sincerely,

Arthur C. Johnson, Ph.D.  
Superintendent
