

Medical Emergency Policy

Policy:

Should there be, at any time during the school day or before or after school, including events on or off the school grounds, a student (or students) that may become injured, ill, or medically distressed;

Procedure:

if there is no trained G-Star School employee present during the incident to administer proper medical care, the school personnel will call 911 and have an Emergency Medical Service (EMS) provider called that will handle the situation on site.
